

Real Estate Institute is seeking an outgoing, experienced and approved North Carolina real estate instructor who would like to help others achieve their goal to become a licensed North Carolina real estate broker. The right candidate will enjoy interacting with students and be passionate about the real estate business. This position will allow you to work virtually with aspiring North Carolina real estate broker candidates as they complete an online, self-paced pre-license course.

The subject matter expert that we select for this **contract position** will share their expertise and experience with students who request one-on-one instructor assistance during their course of study with Real Estate Institute.

Responsibilities include:

- Provide email and/or over-the-phone assistance and support to students who contact the school with questions about pre-license course material or content.
- At students' request, review and discuss failed exams with students by phone or email.
- Make accurate notes regarding student interactions, using software we provide.
- Take notes regarding the most commonly asked questions and/or subject matter that students frequently struggle to understand, so that the school may enhance future versions of the course.

For consideration, you must have the following skills and experience:

- Be approved as a North Carolina real estate instructor. (See [NC Rule 58H.0302](#) for detailed requirements.)
- Have teaching and/or public speaking experience that demonstrates your excellent verbal and written communication skills.
- Have years of experience practicing real estate, which may include brokerage and/or other specialization.
- Minimum of 1 year of practice/experience representing buyers and sellers in residential real estate transactions.
- Self-starter with a strong work ethic who can reliably work independently.
- A social, friendly demeanor and an ability to create positive student interactions.
- Proficient using computer software applications, including those required to manage and track student interactions.

Compensation:

- \$25 per hour of instruction/student support
- Contract Position
